Owned By:

* * * * *

The Listed Dogs Above Were Bred On:

Expectant Due Date:

(63 days from the first breeding)

The Fee For This Service Is:

\$400 and is to be paid up front in cash if stud service is done in person.

At least one puppy whelped dead or alive is to constitute a litter. If for any reason less than one puppy survives to two days of age, a repeat breeding will be granted back to the owner of the Bitch from the Stud dog at no charge. However, the owner of the Stud will require written documentation from the owner of the Bitch's veterinarian verifying the death of the litter.

The owner of the Bitch is responsible for any and all veterinary and financial arrangements, including, but not limited to, traveling expenses, emergency vet care, etc.

The Breeder Bitch owner hereby releases from responsibility any and all liabilities or damages to said Bitch while in our care for breeding. The Bitch may stay at the Stud Dog's place of residency for a maximum of one week unless other arrangements in writing have been made.

By this contract it is specifically agreed that the Stud dog owner is not obligated to sign the application for registration of this litter until, and unless, the stud fee has been paid in full.
